

# ANSCHLUSSPLAN

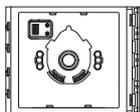

## Mehrfamilienhaus 2-Draht Video-Türsprechanlage für 5 Wohneinheiten, Hausstationen Klasse 100V12B und Sfera New Türlautsprecher

**WICHTIG!**  
Bei Änderungen an der Konfiguration muss ein Reset der Anlage durchgeführt werden. Dies wird durch Unterbrechen der Spannungsversorgung für ca. 1 Minute erzielt.

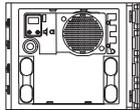

**WICHTIG!**  
Für die Verkabelung der Anlage empfehlen wir die Verwendung unseres Systemkabels 336904. Bei der Verwendung von anderen Kabeltypen beachten Sie bitte, dass das Kabel (2-adrig) verdreht und ungeschirmt sein muss.
